

Amber Way News

Welcome

A Fifty-Six Acre Private English Hunter/Jumper Equestrian Facility located in Ortonville MI. AmberWay Stables offers Lessons for beginner riders through the most advanced competitive show rider. We are devoted to sportsmanship and horsemanship, the two key factors to an exceptional rider. Our Trainers Donna Caston and Luaren Smilie are here to work with every rider at every level. Our facility has lesson horses for those just beginning, or can accommodate your privately owned horse in one of our 40 10 x 12 stalls, most with Nelson Automatic Waters, Farnam Automatic Fly Spray System, but all with Stable Comfort by Promat.

There is nothing that can compare to the comfort of our stalls. Your horse will lie on a patented Multi-Cell Mattress filled with rubber crumb that is covered by a one piece wall-to-wall, non-slip, waterproof top cover. Whether returning from a show in Kentucky, or just ending an evening lesson, your horse will return to a well deserved comfortable clean stall that provides remedial, therapeutic flooring for your horse. Stable Comfort decreases any injury rehabilitation time, and aids in loosening of stiff joints. In addition to the comfort, your horse will also be provided with a feed program by Alliance Nutrition. Our standard feed is a Patriot 12% fed two times per day, and beautiful Alfalfa-Timothy Hay delivered directly from the grower that is fed three times per day depending on weather. AmberWay Stables also offers a 60x220 indoor riding arena, two 100x200 outdoor

show quality rings, two warm-up rings, a double fence lined trail, camper hook-ups, outdoor wash stalls, two tack rooms, and a beautiful private lake available to our borders for swimming and fishing.

While AmberWay Stables provides a competitive atmosphere for the most serious students, we pride ourselves in a family atmosphere where kids, as well as adults, always feel welcome. Our barn is always clean,

our bathroom is brand new, and our observation room was just remodeled. It features three high back leather couches, a kitchenette, a large Oak Dinette, and a variety of individual Coffee K-Cups that can be brewed fresh on demand. However, when riding outside, parents and visitors can relax on our brand new Cedar Adirondack Swing Chairs while watching lessons. Just try not to fall asleep!
